Judge Albert H. Barker, president of Falmouth Rotary, 1926-27

By:
Owen and
Janice
Collins

Judge Barker was the second president of Falmouth Rotary, preceded only by Henry Bishop. A native of Ivor in Pendleton County, he was circuit judge of the 38th judicial district comprised of Pendleton, Harrison, Robertson, and Nicholas counties. He passed on at 2:15 p.m. Monday, May 22, 1961 at the Harrison Memorial Hospital. He was 70 years old. Judge Barker had been circuit judge since 1951, succeeding the late James C. Dedman. Previously, Judge Barker had served as commonwealth attorney from 1933-1951 under Judge Dedman. Previous to serving as commonwealth attorney, Judger Barker had served as county attorney from

1917-1929 in Pendleton County. He was defeated by a small majority for lieutenant governor of our state in 1928. Like so many of the presidents of Falmouth Rotary, Judge Barker was a community minded servant. He was past president of Cynthiana Lions Club, a member of Cynthiana Elks, President of Falmouth Fair Company, and a member of the Cynthiana Methodist Church. Judge Barker studied law in Falmouth under his cousin, Judge John Barker, and was admitted to the bar in 1914. He moved to Cynthiana in 1929. He left to mourn his passing: his wife, Mrs. Ruth Edwards; two daughters, Mrs. J. Barnes, Charlotte, N.C., and Mrs. Homer Petry, Simsbury, Conn. and four grandchildren. His portrait and a plaque hang in the new justice building off US 27 in Falmouth. Containing much of the information mentioned above, the plaque also has the following inscription: "Known for His Kindness and Human Understanding."

JUDGE ALBERT BARKER

Indeed this inscription falls in the main stream of the Four Way Test which Falmouth Rotarians regularly recite:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and friendships?
- Is it beneficial to all concerned?

Judge Barker, another strong humanitarian, who early led the Falmouth Rotary Club!

This is his third year serving on the KJA Board. Kells was elected to the board during the KJA annual conference which was held in early June in Bowling Green. "Serving on the board allows me to be much more informed, and allows us to fight legislation that could potentially hurt our county," said Kells. "It gives our

county and jail such a strong voice in Frankfort, and allows us to voice our concerns and needs for our counties and jails." The Kentucky Jailers' Association is made up of constitutionally elected jailers and appointed jail administrators of the commonwealth of Kentucky. The association's goal is to unify Kentucky's 120 jailers, provide legislative support and training and promote the best interest of Kentucky jailers. For more information visit www.kyjailers.com.

Former resident praises Kincaid Regional Theatre

To the editor, Last week my husband and I came to Falmouth to see family, friends and attend the Cair/Wilson reunion. While in town we visited some stores, churches, and restaurants which brought back fond memories of the past. As always the people were friendly and stopped to chat. After a fun-filled afternoon with ninety or so relatives at the reunion, ten of us decided to

stay for the evening production of "Smoke on the Mountain" at Kincaid Theatre. Falmouth has a gem! From the moment the play began all of us (as the old saying goes) laughed until we cried. The actors, actresses and musicians were top notch. There was not a weak role in the production. Reading the playbill brought home how many outstanding musicals have been performed previously. Fal-

mouth, for its size, is very fortunate to have such quality entertainment located there. It was very nostalgic to see the play in the school where my mother and her five siblings, as were as many cousins, had graduated in the past. Thank you Kincaid Theatre and Falmouth for these opportunities.

Sincerely,
Betty Cair Jones

At Pendleton County High School former principal, Ron Livingood, left that position to become the superintendent of Grant County Schools. Tony Dietrich is now the new PCHS principal and Rhonda Moore is the new assistant principal. Continuing to serve as a PCHS assistant principal is Gary Dearborn, who is now the new athletic director. Day Care

continued from Page 1 program is run by the Partnership for Early Childhood Services housed at the University of Kentucky. The program is for licensed type 1, type 11, and certified family child care homes. started because organizers realized many children were not ready for school. So the group targeted ways to coach, model, train and support child care teachers to get children on track developmentally. The system uses a scale of one to four stars to identify levels of quality, which are assessed on standards including staff-to-child ratios, group size, curriculum, parent involvement, training and staff education.

This is a program that shows the quality of the center. "What difference does quality make? Better parent-child relationships, greater thinking skills, better attention skills, enhanced academic performance, better relationship with peers and a greater chance for finishing school and attending college," said Small World Director Lindsay Ice. Small World Child Care center located at 1012 W. Shelby Street in Falmouth has been working with the Stars program and has attained a Level 1 and are working towards a level 2. The child care center owners Phillip Hart and Ava Ice and Lindsey are committed to working with the state to attain a four

star rating and make the children as ready as they can be for kindergarten. Lindsey attends Maysville Community College where she majors in Early Childhood Development. Small World has five classrooms for ages six weeks to eight years. Each room has a creative bi-weekly lesson plan with emphasis on fine motor, gross motor, social/emotional, and educational skills, plus much more. Small World has recently joined with the federal food program which provides healthy meals and snacks to children receiving day care.

Accident

continued from Page 1 Explorer. He was not injured. Kentucky State Trooper Jeremy Moore is investigating the accident and it's somewhat unclear what happened. Tpr. Moore stated that Lonaker had come off KY 22 and was in the southbound lane of U.S. 27. At some point he veered across the yellow line and struck Wood's vehicle in the driver's side. Wood attempted to swerve her vehicle to avoid Lonaker. Falmouth Fire Department was on the scene and used the Jaws-of-Life to free Woods. PHI landed at the intersection of KY 22 and U.S. 27 to take her to the hospital. U.S. 27 was shut down until the accident scene could be cleared. Other law enforcement present to help were Tpr. Charles Haselwood, KSP Sgt. Chris Steward, Pendleton County Chief Deputy Todd Dennie, and Deputy Brian Locknane.

League of Women Voters visits Butler Council

Pendleton County League of Women Voters presented themselves to Butler City Council on August 21 and outline some tips that may be helpful to voters; they also stated that if anyone had questions they could call and talk to them. Members visiting council were: Sean Nordheim, Lindsay Crawford, Angela Hornbeek, Veronica Hargett, Wendy Harrison, and Bill Mitchell. Charles Jordan asked about doing something for the kids in Butler. He was told that the Pastor's Association is trying. They have had a basketball tournament and a movie at the park where they furnished food and drinks. However, help is needed; parents and or chaperones as well as financial assistance. Glen Shell presented to the mayor a KRS of tenants' rights against landlords, mayor to study. Dwayne Strickland apologized to council for the fire chief's actions. Jaime Wright said that there is an administration problem. She is the secretary and she isn't able to get any records or to produce statements. She said we all need a working relationship. The financial statement was presented to council. Motion by Gerald McElfresh, seconded by Clark to accept, motion carried. Clark thanked the people that helped with the cooking for

the car show and movie night and said that they went well. He said that the Pastor's Association consists of Butler Baptist, Butler Christian, Butler Methodist, as well as Mayor Donnie Spencer and councilmember Herb Clark. Gerald McElfresh said that he talked to the people with the rides. He also said that the Pastor's Association is taking care of the ride situation. Correspondence was received from the Pendleton County Recreation Commission regarding Patrick Clore and Sherry Griffin being Butler's representatives. Motion by Greg McElfresh, seconded by Taylor, to sell the fire truck and set a reserve on the price. Vote taken: Clark, Gerald McElfresh, Hopkins, Taylor and Greg McElfresh, all voted yes and Sue Brossart voted no. Mayor Spencer said due to the fact that Chief Don Willis of the Butler and Community Volunteer Fire Department refuses to submit monthly financial reports or any reports on how city taxpayer money is being spent, it is in the best interest of the city to pursue other possible avenues. There was discussion about the festival and the fact that there would be no raffles. Bill Mitchell of the AD is working on getting a profession-

al tourism director to help with festivals and other events. The community building is available for rentals. It is heated, air conditioned and handicapped accessible. Contact the city at (859) 472-5015.

Have you ever been to church and felt Jesus’ presence. Let’s always have church services with Jesus. We are talking about sin. God knew that Eve would sin and He knows that we will sin. Jesus had a choice and He told the Father that He would carry our sins to that old rugged cross.

After the beating of Jesus with leather laced with glass, every drop of His blood covered our sins. He was sinless so we could be saved by His blood. He is our Lord and Savior. You need to choose Him as your Savior. He put our sins on Himself so we could be washed clean.

Pride is something you put away when you get saved, the saved will rejoice with you.

People say God is not in our schools, look around and see how young girls and boys carry Christ with them.

Please remember our sick: Linda Porter, Brenda Smith, and Rocky Tucker.

Prayer concerns: lost loved ones, the Lovelace family and the Raleigh family.

Falmouth Baptist

Greetings from the Falmouth Baptist Church. We invite you to stop by and worship with us at 4th and Maple.

What happens when Christians get discouraged? When discouraged we often pray the wrong prayer, we say the wrong thing, we think the wrong thing, we do the wrong thing, we see the wrong thing, we get in the wrong place and we get in the wrong spirit. Discouragement is one of Satan’s biggest weapons. God wasn’t finished with many people in the Bible

who were discouraged and did the wrong things and He isn’t finished with us. If you are discouraged, remember to see God instead of seeing the giants you are facing. God will get you through!

We rejoiced during the time of decision when Kellie Wolfe professed her faith in Jesus Christ and requested believers baptism. Please keep Kellie in your prayers as she begins her walk with the Lord.

Instead of viewing particular problems with other people, why can’t we as Christians look at their lives as a "whole"? Maybe if we did so, then we would be able to see why they have their specific problems and then be able to help. Let us all show the love of Christ to those we are around, especially the ones who always annoy us!

What a wonderful last Sunday of July!

We were very blessed to have Bro. Rick Halcomb fill the pulpit in Bro. Harry’s absence. Bro. Rick also blessed us with special music.

Bro. Rick’s message, “The Power of Prayer,” was taken from James. Our faith is tested everyday. Sin breaks our connection to God. Everyone needs to be lifted up from loneliness, sadness, sickness and everyday trials. We need to seek strength from God through prayer. If Jesus is in our hearts, we are happy. God never forgets or forsakes us. God cares for us, so give your cares to Him. The power of prayer is peace.

Remember to pray for those in need of healing, peace and love.

Harvest Community

To stay fit in the Lord, you

must practice a good healthy diet. This consists of: corporate Bible study, individual Bible study, worship service, prayer, and fellowship. With this diet you will become steadfast and immovable in the Lord. This will create a good solid foundation and you will be “ready for anything.” (1 Corinthians 15:57).

School begins this Thursday, August 11. Our prayers are for a good safe year for all personnel, staff and students. Remember the buses will be travelling the county roads, drive safe and courteous.

Prayer concerns: Michael Chiles, Lee Roy Faulkner, Carolyn Reid, Marie, Caden and Krista Winkle, Bro. Harry Crozier, and Cherry McFarland.

We welcome you to come worship with us at 111 E. Shelby St. on Sundays, 9:30 a.m. Bible study, 10:30 a.m. morning worship service and 6 p.m. evening worship. Wednesday prayer service is at 6 p.m.

Isn’t it amazing how we start small and grow like the mustard seed?

Our first few weeks in our volleyball league we had a handful of wins, that is, when the other team did not show up. When the other teams showed up, we played well for our ability, but were unable to win.

A few weeks ago we won our first real game against a good team. The next week we won our first match and last week we won two matches! It is always exciting to see progression.

Recently we voted to become a Green Chalice Congregation. In our denomination, this is a program to help us be better stewards and to do the right thing.

We have ideas for recycling and for a mini Farmer’s Market in Morgan on Sundays.

Let us progress in our walk with God each day!

August is somewhat of a difficult month, there are doctor appointments to prepare for, Harrison Co. Soil Conservation Dept. fish fry, District 8 minister meeting in Central Kentucky, RC and D Board meeting in Blue Licks, my grandson Clay’s football season begins in Harrison County and I must not leave out my birthday. I will not tell how many, but there are enough to still have drivers license. The biggest is the Mt. Gilead annual meeting, dinner on the wagon, 3-4-1 group will provide music, and there will be preaching, prayers, and fellowship. The event is Sunday, August 21 with service at 8:30 a.m. and dinner at 1 p.m. If you leave with an empty stomach, your heart and mind will be full of the spirit of Jesus and information about the health and wellness of your friends.

What a day, don’t miss it. See you there.

New Hope

We live in an age of financial uncertainty. It seems like every day we are talking about the unemployment numbers, the deficit, debt limit, the decline of the dollar, and lost jobs going overseas. It makes people nervous because we do not know what will happen and we are losing confidence in our economy. Where should we put our money? What is a safe investment? How can I pay my bills?

While our economy may change, our God never does. He is the same yesterday, today and tomorrow. He has guaranteed us a home in heaven. Your future is never secure with the things of this world. If you want to be confident about the future, then you need to give your life over to God.

Oakland Christian

Our revival has ended and oh, what a blessing it has been.

L.D. Campbell has been a super evangelist and we have had great special music.

Camp Northward is planning for a great 70 year anniversary celebration, August 27, 2-6 p.m. at the camp in Falmouth.

Oakland Christian workers meet August 10 at Clara Holmes.

Remember in prayer Diana Monroe, Eudell Hall, Mildred Powell, Kenneth Showalter, Elmo McKinney, Birdie Bruin, Carol Saylor (surgery, 5th), Juanita King, Harold King, Richard Groneck, Margaret McCann, Wade Napier, Bill Petit, Susie Blevins, Jim Wyatt, Donald Powell, Lois Wilson, Ronnie King, our shut-ins, our armed forces, and our leaders.

Oak Ridge Baptist

Jacob and Cassie talked to the kids about how we can’t erase what we say so we always need to be careful so we don’t say hurtful things.

Mary Ann and Breanna sang special music.

Operation shoebox is collecting school supplies for our shoebox ministry.

We are going to be having a homecoming celebration Sept 4, 2011 with several past ministers speaking, special music and a meal following.

The G.A. and Acteen luncheon for the senior adults was a great success. Thanks girls for all of your hard work and for

doing this for the seniors.

Happy birthday Blaze Cook and Angela Hamon.

Pleasant Hill

On Sunday, July 10, a new policy went into effects among congregations of the Presbyterian Church (USA), permitting the ordination of openly practicing gay, lesbian and bisexual elders, deacons and ministers. It is reported that liturgical celebrations were held across the country, following the ratification of the new policy by a majority of the denomination’s 173 regional presbyteries.

One leader of this movement claimed that “What the Presbyterian Church is saying with the policy change....is that LGBT people are morally and spiritually equal to heterosexuals.” (Bay Area Reporter, 7/14/11). This leaves us with the following questions: Who is the Head of the Church? (Ephesians 1:17-23)

Who has all authority in heaven and on earth? (Matthew 28:18) What did He say about such practices? (Romans 1:26-32, I Corinthians 6:9-11) And, where does it say that we get a vote? Churches may change; society may change, but the Word of God remains the same.

Roanoke Christian

The background for Bro. Don’s message Sunday was taken from 1 Samuel 15. Contradictions, today’s world seems to be full of them. A person who reads the Bible may say that it is full of contradictions, but a person who studies the Bible will see that it stays on the same path to the end. Is our worship a contradiction, do we worship to please God and be obedient to Him or do we go to church and worship, or do charity work, to impress our fellow man as Saul was doing?

The ladies weekly Bible study meets each Wednesday at 6 p.m. You are welcome to join.

Please remember those who are ill, and those who are experiencing a difficult time in their life in your prayers and thoughts.

You are welcome to join us each Sunday for worship service at 11 a.m. and Sunday school at 10 a.m.

We have seen that Jesus, if you are one of His followers, gives you a true self image and imparts to you a self worth, potential and destiny beyond your wildest expectations. Let’s say you accept this from Jesus and become His follower.

Once baptized (which symbolizes the death, burial, and resurrection which Jesus underwent for your sake), you are united with Jesus. You are born again, lovingly accepted as God’s heir child, your own name entered into the book of life (Romans 6, Ephesians 1).

You are absolutely assured of your inheritance beyond this life provided that you hold on to

your new and true self image, which is God’s image of you and in you.

Think of your own personal potential and worth in those terms and your life, regardless of how the world may value it, will be fruitful and full of true purpose.

Turner Ridge Baptist

Sunday July 31, Bro. Dale’s message was “The breastplate of righteousness,” with scripture from Ephesians 6:13-14. Chloe Baumgartner read scripture from Phillipians 3:9-10.

We baptized Madilyn Lawson and Ashlynn Sorrell on Sunday morning. Special music “God on the Mountain” by Jim Tomlinson.

Sunday was our fifth Sunday dinner and a short evening service. Regular service dismissed. Lonnie and Regina Gregg sang a special and Sandy Gabbard played a piano special. The adult choir special was “Camp meeting style.”

Uncle Dale gave the children’s message on “good food.” The Bible tells them that if we are hungry, eat a good meal and read the Bible. God wants them to come to church too.

Christian sympathy is extended to the family of Martha Eversole.

New friends were added this week. Please remember prayers and concerns for everyone.

No church home? Come join us.

Short Creek Baptist

Youth meetings Sundays at 5 p.m. Children’s Bible study Wednesdays at 7 p.m.

On Sunday, July 31, we had our annual church picnic. Everyone had a great time in fellowship and great food. The church would like to thank everyone that helped to make this event happen and a special thanks to Jerry and Susanne for getting the clubhouse for us again this year.

This week we have been blessed by some miracles that God has given to us and we praise Him for that. Prayer is so important in our lives and it can change things.

If you are new to the area or just searching for a new church home. We would like to encourage you to come join us in worship. We have a great children’s program for your kids to learn and study the Bible. If you have not met Jesus, we trust that through the music, sermons, and the prayers you will give Jesus your life. Come join us!

Pendleton County Golf Scramble 2011

The day started hot and clear, as 57 golfers teed off at 1 p.m. for the 17th Annual Pendleton County Education Foundation golf scramble at the Pendleton Country Club. The temperature was high, but soft drinks donated by David Bay, Licking Valley Oil and water donated by Grassy Creek Church kept everyone hydrated. Volunteers Amanda Bruin and Kyla Colemire (accompanied by Karli Colemire) delivered snacks donated by Steve and Pam Harper during the afternoon. This year for the first time, a car was offered by Piles Chevrolet/Buick for a hole-in-one contest. Sadly, no one won the car.

The Foundation was so pleased to have the following hole sponsors: Canon Business Solutions, Carmeuse Lime & Stone, Central Janitorial Supply, Codell

Construction, DeBra-Kuempel Service, Falmouth Outlook, Glenwood Electric Inc., Griffin Industries, Inc., Harper Advisory Group, Northern Elementary School, O'Hara, Ruberg & Taylor, Atty-at-Law, Owen Electric Cooperative, Inc., Paul Tuemler LP Gas, Proven Learning, Re/Max Affiliates—Linda Thornton, Sherman, Carter, Barnhart (two holes), Tim Norton Auto Service, LLC, Woodhead Funeral Home & Memorials.

A drawing was held in the late afternoon and each golfer had a chance to win prizes donated by the following: Becky's Flower Basket, Blanket Creek Pottery, Cincinnati Color Company, Dennis Seever-The Golf Exchange, Dr. Owen Collins, EduQuip Associates Inc., Falmouth Woodmen of the World, Fancy Floral, Frames & Photos, Harper Advisory Group,

Kincaid Regional Theatre, Otto Printing, Pam & Steve Harper, Pendleton County Extension Homemakers, Pendleton High School, Sherman Carter Barnhart, US Bank.

As the golfers starting coming off the course, they were served dinner by the PCEF directors. Dinner was topped off with peach cobbler and ice cream.

After all the scores were in, checks were awarded to the winners of the various hole contests and the 1st, 2nd, and 3rd place winners were announced.

The Foundation wishes to thank everyone who participated in their annual golf scramble. Thanks especially to Elaine Flynn and Paul Bowen, who spent the entire afternoon on hole number three to keep an eye on the "hole-in-one" contest.

Wildcats play exhibition with Brossart at Soccerama

The Pendleton County Wildcats soccer team took part in the Soccerama exhibition event held at Scott High last Saturday. The Cats squared off against district rival Brossart and fell by a final of 1-0 in a tightly-contested affair.

Head coach Lisa Feltner used the exhibition as an opportunity to further examine her full roster as 18 Wildcats saw action during the game. The Mustangs scored the contest's lone goal 15 minutes into the first half, as the Cats offense struggled to pull even.

Early on the the second half, Travis Brinkman sustained a groin injury that is expected to sideline him for at least two weeks.

His absense in the line-up forced Feltner to shuffle her players around and the team appeared a bit out of sync for the remainder of the game.

"Offensively, we weren't very sharp but it's ok given that this is still the pre-season," said Feltner. "Defensively, we looked pretty solid. We have a lot of speed and experience on our team and I feel pretty good going into the start of the season on the 15th."

The Cats final pre-season game will take place this Thursday evening when they host Montgomery County at 7 p.m.

Admission costs are \$3 for adults, \$1 for children, and free admission to any child who shows up wearing any kind of soccer jersey.

Additionally, Wildcat Zack Brinkman was recently named one of NKY's Top 22 returning players, as named by area coaches.

PCHS boy's golf tryouts

PCHS will hold boy's golf tryouts Wednesday, Aug 10 at 4:30 p.m. at Pendleton Country Club.

Anyone wishing to tryout should have a current sports physical. A copy of the physical will need to be turned in. This year's team will be limited to 12 players.

Please call head coach Ron Stinson at 859-322-6408 with any questions or concerns.

The Falmouth Outlook travels to North Carolina

The Harry Crozier family are in Currituck County at the Outerbanks of North Carolina with The Falmouth Outlook.

KSP asks motorists to be cautious around school buses

For some twenty-three million students nationwide, the school day begins and ends with a trip on a school bus. Unfortunately, each year many children are injured and even killed in school bus related crashes.

Last year, Kentucky had 985 school bus related crashes resulting in 278 injuries and four deaths. With school starting in many communities, KSP Spokesman Lt. David Jude is urging motorists to be alert for loading and unloading school buses.

“As motorists, we need to take extra caution anytime we are in the vicinity of a school bus. Stop, slow down and look for children who may be loading or unloading from the bus” says Jude.

“Many parents worry about their child’s safety once they set foot on the bus, but many of the injuries happen on the road outside of the bus,” adds Jude.

Jude says he thinks distracted drivers and those who speed in school zones often put children in more danger than anything else.

“Texting while driving and

using a cell phone often take a drivers attention from the road,” he says. “Many times inattentive drivers may not see stops signs, reduced speed limit signs or even the flashing lights of a school bus.”

KSP is asking all motorists to be extra cautious as schools open this month and especially when maneuvering around school buses.

“It is a good reminder for all of us that we need to take extra precautions to get our children to school safely and law enforcement will be strictly enforcing speed zones in and around schools to ensure that happens.”

Kentucky law states that if any school bus used in the transportation of children is stopped on a highway for the purpose of loading or unloading passengers, with the stop arm and signal lights activated, the operator of a vehicle approaching from any direction must stop and not proceed until the passengers have loaded/unloaded and the bus has been put in motion.

Passing a school bus while it is loading or unloading is a class B misdemeanor for the first offense and a class A misde-

meanor for the second offense.

“As parents, we must reinforce proper school bus safety procedures with our children and this is the perfect time of year to talk with them,” adds Jude.

KSP encourages parents to review the following schools bus safety rules.

Rules for getting on and off the school bus getting on the school bus:

- When waiting for the bus, stay away from traffic and avoid roughhousing or other behavior that can lead to carelessness. Do not stray onto streets, alleys or private property.

- Line up away from the street or road as the school bus approaches.

- Wait until the bus has stopped and the door opens before stepping onto the roadway.

- Use the hand rail when stepping onto the bus.

Getting off the school bus:

- If you have to cross the street in front of the bus, walk at least ten feet ahead of the bus along the side of the road, until you can turn around and see the driver.

- Make sure that the driver

can see you.

- Wait for a signal from the driver before beginning to cross.

- When the driver signals, walk across the road, keeping an eye out for sudden traffic changes.

- Do not cross the center line of the road until the driver has signaled that it is safe for you to begin walking.

- Stay away from the bus’ rear wheels at all times.

Correct way to cross the street:

- Children should always stop at the curb or the edge of the road and look left, then right, and then left again before crossing.

- They should continue looking in this manner until they are safely across.

- If students’ vision is blocked by a parked car or other obstacle, they should move out to where drivers can see them and they can see other vehicles -- then stop, and look left-right-left again.

Citizens can contribute to additional child safety by reporting drivers who disregard school bus signals to the Ken-tucky State Police toll-free at 1-800-222-5555.

Beneficial snakes

Many people fear snakes, but despite the fright they can cause, the majority of snakes are beneficial. Of the 33 varieties of snakes in Kentucky, only four are venomous (Northern copperhead, Western cottonmouth [water moccasin], timber rattlesnake, and pygmy rattlesnake). Most snakes you encounter around your home are harmless. If you are scared of them, try to remember that they are useful—they keep the rodent population in check by eating mice, rats, chipmunks and even toads, insects and other pests.

Summer months increase the possibility for an encounter with a snake, as snakes leave dormancy in the spring to mate. And because people go outside more often in the warm months to enjoy leisure and sporting activities, surprise encounters can happen. When threatened, a snake may coil up and hiss, but generally, its reaction will be to get away from you.

Snakes like damp, dark, cool places where food (usually mice) is accessible. They also will be drawn to areas that provide shelter and shade from the summer sun. The

best way to get rid of snakes is to modify the habitat that is attracting them.

Some recommendations include:
Stack firewood 12 inches above the ground on a pallet
Remove lumber or junk piles where snakes could hide
Trim bushes and shrubs that grow against a foundation
Keep all lots, fields, and lawns mowed and well kept
Remove debris and trash from pond and stream banks
De-clutter basements and attics, especially where rodents can be found
Keep feed for livestock in covered metal containers to discourage rodents remove pet food after feeding
Use covered metal cans for trash

You can use glueboards to remove snakes. For longer snakes, you may need to nail several glueboards in succession to a piece of plywood. But remember that the best option for snake removal is to modify the environment so the snakes are not attracted to the area.

Join 4-H for new school year

A new school year is upon us, and it's a great time to join 4-H, the nation's largest youth organization. 4-H offers experiential learning to youth ages 9 to 18 with something for all interests from insects to space to sewing. There are topics for all youths. By participating in 4-H, youths develop many essential life skills including responsibility, leadership and self-esteem.

You can get involved in 4-H several ways by participating in clubs or completing projects. Clubs provide youths a chance to practice leadership skills while making new friends. Topics vary across the state depending on local youths' interests, and range from animals to communications to financial management. From science to crafts, youths of all ages and abilities will find something that interests them in 4-H projects. By completing projects, youths not only develop new interests and hobbies but also important skills such as self-confidence, time management and critical thinking. While the deadline has passed for state fair entries this year,

youths can get a jump start on next year's project by joining 4-H this month.

In addition to clubs and projects, 4-H offers numerous in-school and after-school programs for youth. 4-H youth development agents make many visits to county schools throughout the year to offer hands-on learning. Many times they reinforce subjects youth are learning in school, but they also provide information on topics such as character development, fitness and healthy eating.

After-school programs offer fun, hands-on activities for youths in a safe environment. Programs differ among communities depending on area 4-H's needs and interests, but some possible subjects include healthy living, communications, family and consumer sciences, environmental and earth science, plants and animals, science and technology and leadership. By participating in any of these programs, youths learn how to set goals, make sound decisions and resolve conflicts.

Fruit and vegetable origins

We often associate certain foods with different countries. Spaghetti is Italian, tacos are Mexican and what could be more American than apple pie? Did you know the very first apples ever eaten grew several thousand years ago in fertile land south of the Black Sea? The history and origins of different fruits and vegetables are as interesting and unique as their taste.

Records from as far back as 550 B.C. tell us lettuce was served at the tables of Persian kings. This leafy green also was a favorite of pre-Christian Romans. Cucumbers were grown in India 3,000 years ago, and hieroglyphics drawn on the walls of 5,000-year-old Egyptian tombs depict laborers eating onions.

Olives were cultivated in Crete as early as 350 B.C., and avocados, relatively new to America, were enjoyed by natives of Central and South American countries as early as 7,000 B.C.

Of the roughly 240,000 plant species in the world, about 3,000 are economically important. Twelve of these, mostly grains, pro-

vide the greatest percentage of human food. Only about 100 species make up the most commonly eaten fruits and vegetables.

Much of the produce we consume in the United States originated in other parts of the world. Large seeded beans including green beans, kidney beans, lima beans, black beans and white beans all came from Latin America. Corn, cacao, tomatoes, squash, peppers, peanuts, pineapples, pumpkins and potatoes also migrated north from Latin America. Contributions from the Far East include Asian pears, peaches, apricots and rhubarb.

Blueberries, cranberries, pawpaws, American persimmons and American and muscadine grapes are native to the United States. Native American nut crops include pecans, hickory nuts, black walnuts and American chestnuts.

Sunflowers and Jerusalem artichokes were first grown in the United States along with summer squash and marrow pumpkins.

Pendleton County 2011 4-H at North Central 4-H Camp in Carlisle

Pendleton County attended 4-H camp at North Central 4-H Camp in Carlisle with Kenton, Gallatin, and Carroll counties on July 18-21.

The weather was warm but that just made for more enjoyable pool times! Everyone had a blast participating in the packed filled, fun week at camp. Some of the activities included

water Olympics, Sadie field games, carnival games, Sally down the Alley, minute to win it, the price is right, and a campfire.

Campers chose four of the seventeen different classes to take throughout the week, which were as follows: sewing, jewelry making, CSI, arts and crafts, nature, recreation, canoeing,

volleyball, fishing, high ropes, low ropes, riflery, trap, archery, beginning swimming, advanced swimming, and basketball.

A special thank you to the adult counselors that went from Pendleton, Shawn Hayslette and Tammy Stewart and to the junior counselors, Travis Alsip, Joey Schuerman, Jordan Shay, Kelsey Knight, and Hannah

Zmyslo! You guys were amazing with the campers and your leadership and guidance helped the 4-Hers have an awesome week!

Campers were all well behaved and everyone is looking forward to next year.
